*As a body of believers, we are called upon to be constantly in prayer (I Thess. 5:17). These weekly notes will list different prayer items that I hope you will remember as you spend time in prayer each day. There are always more prayer items than listed, but we ask that you give special attention to these! Please pray for the remaining days of school. Please pray for a relaxing, safe summer break for all! Also continue to keep the school in your prayers over the summer, that would have some new children and some new families join us here next year.*

## Thank You

The staff of NKCS would just like to thank all of the parents for all of your hard work this year. We realize that we could not run this school without all of the parents and family members who donate so much time to help us out. We really appreciate all you do for us to make our jobs easier. Thank you for your commitment to Christian education. We know that it is a sacrifice but well worth it. We have had a great school year and thanks for sharing your children with us. Have a great summer and see you back in August!

## Student Recruitment Discount

Don't forget that your family can receive \$200 per year per student that you help recruit to attend NKCS!\* This is a great time of year to speak with your friends and family about attending NKCS beginning next fall. Word-of-mouth is by far our best form of advertising! Why not share with others how NKCS has ministered to you and your family?

\*See handbook for details.
