Dear Prospective Parent,

Thank you for choosing NKCS Preschool! Enclosed you will find an Application of Enrollment, a Tuition & Policies Agreement and a Price List. Please fill out the forms and return them to the school at your earliest convenience, the Price List is to keep for your records. Below I have listed the steps you will need to follow to fully enroll your child in preschool:

1. Upon returning with your completed paperwork the next step you will need to take is to pay our registration fee. Our annual registration fee is \$70 if enrolling before our Christmas break and \$35 if enrolling after our Christmas break and is non-refundable. Once the registration fee has been paid your child's spot is secured in our preschool.
2. You will then be given a set of state required documents to fill out. One of those documents is a Physician's Report. This form will need to be filled out by your family doctor, please be sure they complete the entire form before leaving the doctor's office. If your child has had a physical in the last year, the doctor may fill out the form based on that physical without needing a new appointment.
3. You will also need to bring in a current copy of your child's immunization records (yellow card), and proof of a TB skin test. The skin test must have been performed within the last year.
4. You will need to read and complete ALL forms thoroughly and return them to the school BEFORE the date you would like your child to start school!

If you would like to visit the preschool, observe the teachers or speak with me about enrolling your student, please call ahead and make an appointment. This will insure I am available to show you around and answer your questions. The best time for an appointment is between 9am and 11am and 3 pm to 5pm, when the students are not eating or napping, so you can observe their daily activities. We are excited to take part in the lives of your little ones and look forward to having him/her in our school. Thank you for your interest in our school we look forward to ministering to your family.

Sincerely,

Jennifer Hill, Director

IMMUNIZATION REQUIREMENTS FOR CHILD CARE

Parents must present their child's Immunization Record prior to enrollment. Acceptable copies are the yellow California Immunization Record, PM-298, or the Immunization History filled out by the physician on Physician's Report-Child Care Centers, LU 701.

Here are the immunizations (shots) required to attend child care, by age:

| AGE WHEN ENROLLING | IMMUNIZATIONS (SHOTS) REQUIRED |
|---------------------|---|
| 2 – 3 months | 1 each of Polio, DTP, Hib, Hep B |
| 4 – 5 months | 2 each of Polio, DTP, Hib, Hep B |
| 6 – 14 months | 3 DTP 2 each of Polio, Hib, Hep B |
| 15 – 17 months | 3 DTP 2 each of Polio and Hep B 1 MMR; must be on or after the first birthday At least 1 Hib given on or after the first birthday (regardless of any doses given before the first birthday) |
| 18 months – 4 years | 3 Polio 4 DTP 3 Hep B 1 MMR; must be on or after the first birthday At least 1 Hib given on or after the first birthday (regardless of any doses given before the first birthday) 1 Varicella |

DTP: Diphtheria, tetanus and pertussis combined vaccine. Record may show DTP, DT, or DTaP.

Hib: Haemophilus influenza type B vaccine.

MMR: Measles, mumps, rubella combined vaccine.

Hep B: Hepatitis B. Required as of August 1, 1997

Varicella: (Chicken Pox Vaccine) If your child has had chicken pox ask your doctor to note it on your immunization record to meet the requirement.

Children may be admitted who are behind on their immunizations, *provided* the child is up-to-date (no shots are currently due). The next shots must be received when they are due.

Exemptions: The law allows a) parents/guardians to elect exemptions to immunization requirements based on their personal beliefs, and b) physicians of children to elect medical exemptions to them. The law does not allow parents/guardians to elect an exemption because the "shot" record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem.
